### MOHAMMED FAISAL AL NAIMI

A successful and well known business man in Qatar with a great record of creating new F&B concepts such as Charger Café, Paws. As of today, he has over 12 branches across Doha.

## ABOUT US

---

We are a Qatari ambition which has chosen the coffee field to present the finest beans with its genuine taste brought out of different blends and several resources. Alongside specialty coffee, Charger offers various beverages, food, and dessert options created with fresh ingredients. Charger products can be experienced through its Takeaway or direct pickup service, Catering and Delivery through prominent apps such as Talabat, Snoonu, Rafeeq, Carriage and Deliveroo

## VISION

We are working selectively and in a progressive manner to introduce new drinks generated within our aim to use the finest beans and to keep the same quality over time to reach coffee lovers locally and overseas.

## MISSION

We are committed to serving the highest quality and tasteful experience. Through our careful selection of the best beans following the specialty coffee international association we aim to compete and provide our customers with a mood boost experience.

## BRANCHES

Currently, Charger is operating 5 branches all over Qatar. They are located in areas that are attractive and with high exposure such as Duhail, Lusail, Aspire, Al-Wakra, and Katara. Some branches operate with specific timing such as in Al-Wakra and Katara, whereas, Aspire, Lusail, and Duhail operate for 24 hours. These are carefully selected locations to provide easy access for customers.

# CATERING

We offer catering services for all kind of events and your friends or family gatherings.
